Sir,

With reference to your letter No.2210/G.M. 124-08-2 dated the 30th September last, I have the honor to state that the District Surveyor who was deputed to measure the land in Jodi Purnapura Village granted to the Military Authorities for a Sanitary Camp reports that there are no marks or boundary lines on the spot to ascertain the exact extent taken by the Military Authorities for the Sanitary Camp; that of the three Survey Nos.39, 4 and 16, portions of which were taken up for the purpose, the whole of S.No.39 is lying waste and about 2 acres and 14 guntas out of portions of Nos.4 and 16 given to the Military Authorities has been cultivated by the Kayamguttadar. It is further reported that the Military Authorities had encamped on the ground only two or three times, some years ago and have not camped there subsequently. ( Vide Mahazar of the villagers filed in the Vernacular records.)

2. The present Kayamguttadar also states that in consequence of there being no boundary or other marks on the spot to indicate the portion given out to the Military Authorities, a portion of the Camping ground had been, through mistake, cultivated by his tenants; that if the extent of the Camping ground is now marked off, he is willing to make over the cultivated portion to the Military Authorities.

3. The Map received with your letter under reply is herewith returned together with tracing.

A file of papers containing the report of the District Surveyor, the statement of the Kayamguttadar and the villagers' Mahazar

Mahazar is also forwarded for reference.

I have the honor to be,

Sir,
